Marvelous Monday
"Do the world you may be one person. But to one person, you may be the world."

Subject Name Standard Objective Lesson Differentiation Assessment Homework

Notes: Alert students:

January 22	Third-Grade Concepts	Third-Grade Concepts	Weekly elections are ready to go. Students will learn about the election process.
January 23	What is learning? What are learning outcomes?	Third-Grade Concepts	Additional readings, journal writing, electronic submission.
January 24	Minimizing Students	Third-Grade Concepts	Additional readings, journal writing, electronic submission.
January 25	February 12	Third-Grade Concepts	Additional readings, journal writing, electronic submission.
January 26	February 13	Third-Grade Concepts	Additional readings, journal writing, electronic submission.

Subject: Science	Grade: Grade 6
Topic: Characteristics of living things.	
Content: Living things are described as being made of cells, having organization, and having the ability to grow, reproduce, and respond to stimuli. Comparison between unicellular and multicellular organisms.	
Goals:	Students will be able to: 1. Know the different characteristics of living things. 2. Understand the definition of an organism. 3. Identify new terms and their definitions. 4. Compare between unicellular and multicellular organisms.
Objectives:	After completing this section, the student will state the 4 characteristics between living things and non-living things. They will list and describe the major levels of organization of living things with complete accuracy.
Materials:	Science Text Book, pictures, worksheets
Introduction:	Chapter 1: Section 1 & 2 Thinking critically: Introduction. Have students sit in pairs and have them use an overhead projector. Use each word in a sentence to classify them as either living or non-living. Teacher will encourage the students to use thinking skills in discussion and questioning.
Development:	Teacher will use corals, sea anemones, sponges, seaweed and other sea life to show students. Students will discuss and use hands on techniques to understand the characteristics of living and non-living things.
Practice:	Students will work in pairs to practice identification of living and non-living things and their characteristics using pictures and textbook.

Planning helps you to support yourself and your family, and therefore it must be taken as a priority and not a choice. Attack on a lesson plan to the next. Even if they lose their jobs, they still have something they can bounce. Analyze your spending and cut costs that are not necessary. This DBQuest looks at a status of this kind, the Freedmen Memorial in Washington D.C.. Compare, contrast and analyze postwar legislation, court decisions (including Plessy v. Furrier), and how to keep the statues because they show the history of our nation, even if it is difficult. Download PDF version full of materials of this lesson below! In this video, students learn about the value of Authoring Lucy and Polk's Ann Myers. Once you have read the lesson plans, print a copy to have in case the original is lost and as a back-up resource. Objectives: Plan your goals for the lesson plan. You should understand how your current and future risks are covered to protect you from economic uncertainties and losses. When you write your paper plan, you bring your ideas and thoughts to life. All of his actions fulfill a purpose and seek development in all aspects of his life. The incorporation of various learning styles into lesson plans can be an effective teaching method with a wide range of students and their abilities. As the first African-American woman who argues a case before the Supreme Court, is elected to the New York State Senate, and is appointed federal judge, Motley broke racial and gender barriers throughout her career while fighting for the civil rights of all Americans. This video was made in conjunction with Makematic. A financial adviser can also be helpful in helping you prepare a budget. You can also talk to a relative or mentor who is with the money. Some people want to have savings because they represent ideas that may find disturbing. Start by indicating your short, medium and long-term objectives and a budget. This video was made in conjunction with Makematic. After completing the lesson in the classroom, evaluate how it was. Once you understand what kind of money you describe best, you can draft a financial plan that works for you and your needs. Formulating a financial plan engineer is complete without your measuring tape, as no electrician is complete without your tester. However, these actions do not portray financial stability because such persons do not intend to do so. Check the key points. This helps you gain confidence and guarantees a successful instruction in the classroom. On the way, they explore the examples of change of four key movements: women's rights, disability awareness, native American rights and migrant farm workers' rights. Exponga the plans of one week to carry out any information from one day to the next. A free lesson plan template is ideal for creating weekly lesson plans. Students learn the basic steps of civic action and what is needed to make a change, following the "I Am" model (Inform, Act, Keep). The actions of the students would lead to a lawsuit that became one of the five cases represented in the historic case of the Brown Supreme Court v. Board of Education. Download PDF versions filled with the materials from this lesson below! When President Eisenhower authorized the troops under federal authority to disintegrate Little Rock Central High School in 1957, he became the first president since the federal forces used to help enforce equal rights for African Americans. In your lesson plan, mark the annotations in textbooks using as a cross reference. Start little, especially when you are young with minimum responsibilities, it helps you enough for investments in the future. In this video, students learn about the achievements of Judge Constance Baker Motley. In this video, students learn about activism of teenager Barbara Johns. By walking through the lesson plan, you will find areas that need tweaking. It captures your entire being. Include a warm-up activity to get the students' attention. Achievers are action oriented and are classified as precious. It is also advisable to plan for your retirement, even though you might not think about it when you're young. What parts worked and which ones need adjusting? Learn to exercise more, travel to different places in the world or your country or attend inspiring and informative talks. From the basics about slavery to the attitudes that defended it and the efforts of those who wanted to see it abolished, in this lesson students learn about this dark part of America's past. Got a 1:1 classroom? Decide if you want all lecture lessons, part lecture and student involvement or an activity-based lesson. If what matters most to you is the present then you fall in the survivor's list. A wise financial adviser will help you identify the risks involved in potential investments, and provide viable options for maximum returns while helping you achieve your financial goals in the shortest time possible. Civil War-era monuments are in the news. It does not necessarily mean to completely lose you in a classroom trying to amass a good number of degrees. You don't have to seek financial advice from a financial planner only. Using the example of Executive Order 10730, students will explore how executive orders can be used to enforce the law and examine how Eisenhower justified his actions. The debate over slavery ultimately helped drive the United States into civil war, but before it did, there were decades of careful balance between slaves states and free states. Give yourself wiggle room in each of the lesson plans to make adjustments as needed. They have investments, shares and bank deposits. It is also crucial to build your career and increase your earning. The video shows how to plan for your retirement, even though you might not think about it when you're young. What parts worked and which ones need adjusting? Learn to exercise more, travel to different places in the world or your country or attend inspiring and informative talks.
